

# Bringing Communities Relief Amid Disasters

## California Wildfires Relief

**American  
Red Cross**

Dozens of uncontrolled wildfires are burning across California, forcing tens of thousands of residents to flee their homes. While the threat of additional fires remains high with dry thunderstorms possibly sparking new blazes, **hundreds of Red Cross disaster workers have been mobilized to help provide evacuees with safe shelter, food and comfort.**

Over **22,700 meals and snacks** served with partners

Over **18,000 overnight shelter and hotel stays** provided with partners

Over **7,000 relief items** distributed

Over **3,000 individual care contacts** made

Over **600 disaster workers** deployed
